BASKET BALL

Edward Little 63; Norway High 35

The fastest and hardest fought game staged at Norway Opera House thus far, this season, went through, Friday evening, with Edward Little High school on the big end. Clean swift work was shown with no attempt to stall. Norway had a tussel and put out every ounce of energy to hold the speedy visitors.

That Edward Little has a smooth working machine is no dream for they easily converted the few doubters by sensational playing in every department. Norway was not lacking pep or snap and just pitched in with the bunch. The home team was out classed in weight and frequently baffled. Edward Little's short, low snappy passing was something not heretofore encountered, and the visitors worked the game repeatedly for baskets. Some whirlwind was that battle, knocking to bits all dope that enforcing the rules changes basket ball into "three old cat." Referee Rienhardson was impartial and snapped the playing along with no breaks.

While Norway played vigorously, and covered their opponents well as could be expected under the circumstances, they worked against a puzzle, and hung up alongside big odds in latest strategy.

The Auburnists had little the best on keeping the ball, especially during the second half. By actual count Edward Little shot at the basket fifty one times and Norway forty times during the first period. In the second half the visitors made fifty-one shots at the ring against Norway's thirty-three. These figures include everything except from the foul line. Doping out the result, Edward Little made one basket in 3.21 shots, while Norway secured one in 4.9 tries. Comparing the accuracy of the shooting, the home bunch was not far behind the outfit heralded as wizards.

Stars shining brightly for Auburn were the heavenly twins, P. Watson and E. Watson. Their work was sensational, especially was P. Watson a dead shot on free tries, and no amount of "ragging" from the cheering squad could shake his nerves. Shannahan worked successfully at center until Stronach substituted during the last few minutes. Among the other strong points displayed by the visitors was their covering, and this "trick" in a large measure gave them th game by keeping Norway from any extensive passing.

Purington was the high card for Norway, closely followed by Descoteau and Ledger. Dyer and McCormick did little at the ring, but their floor work was in keeping with the speed and the positions well played. That Norway was able to hold the visitors where they did is a compliment to the home team and its management. Score:

	E. L. Floor Goals	H. S. Foul Goals	Points
E. Watson, lf	5	0	10
P. Watson, rf	8	9	25
Shannahan, c	6	0	12
Stronach, c	0	0	0
Goss, lb, lf	1	0	2
Woodman, rb	7	0	14
Totals	27	9	63

NORWAY	Floor Goals	Foul Goals	Points
Purington, lf	10	0	20
McCormack, rf	1	0	2
Descoteau, c	2	3	7
Dyer, lb	0	0	0
Ledger, rb	3	0	6
Totals	16	3	35

Summary: Score end 1st half E. L. H. S. 24, N. H. S. 14. Fouls called on E. L. H. S. 10, on N. H. S. 16, P. Watson made 9 from a possible 16 at the foul line. Descoteau 3 from a possible 10. Personal fouls, Purington, P. Watson, Ledger, one each; McCormack, Descoteau, two each; Dyer, Shannahan, Woodman, three each. Referee Rienhardson of Bates. Umpire Wiggin of Bate. Timer Crooker, N. H. S., Crosby of Auburn. Scorer, Evirs. Two 20-minute periods.

N. H. S. Freshmen 26; Aggies 12

The farming department at the High school was plowed under by the freshmen during the preliminary game, Friday evening, at the Opera House. While the "Aggies" had a working knowledge of basket ball they were not up to the standard attained by the freshmen, who have a snappy, aggressive outfit. The game was a demonstration of heaving and tumbling with referee Raymond Evirs kindly disposed and lenient. No penalties were imposed and constant action was registered.

The spirit of Norway High was shown by the large cheering section on the stage directed by Edward H. Brown and Elizabeth Klein. A little coaching the past two weeks has whipped this organization into a position to move things. The sport inspiring racket produced during the game, while not musical, was in perfect time and an incentive to the basket fighters.

Dancing followed the contest, music by Anderson, Moore and Soper.

Rumford Against Norway High

Another big game is promised at Norway Opera House, Friday evening, when Rumford will oppose the home bunch. The visitors have been playing fast with a record very much to the good. Rumford held Edward Little close in a recent game, losing to Auburn by three points, after playing two extra five-minute periods. Their return game at Auburn was a walk over for Edward Little. This is the aggregation we are to see work.

Norway lost at Rumford, therefore the home team will strive to make an even break and win.

Dancing follows, music Anderson's Orchestra.

Carl Stearns is visiting his parents, Mr. and Mrs. Walter S. Stearns.

D. Eugene Lebroke has bought the house where he resides at 5 Cummings Place. Mr Lebroke has lived in that vicinity the past twenty-two years.

Millard C. Lyseth and Joseph G. Walker of Norway; Eugene L. Tebbets, Donald H. Tebbets of Locke's Mills; Gerald A. Peabody, Fred E. Jackson, Earle S. Tribou of Rumford, were among the candidates from Oxford county to learn the mysteries of the Shrine at Kora Temple, Lewiston, Tuesday evening.

Mrs. Sherman Rowe of Portland is visiting her father, Thomas Thibodeau, and sister Tessa.

Ben and Henry Hosmer, known among motorists as the Hosmer Bros., and Elon Brown are negotiating a partnership deal to unite the two into one organization at the Norway Auto Co. garage. It is understood Arthur Welch has withdrawn from the concern.

Annual Clerks' Ball A Success

One hundred and twenty-five couples and several hundred balcony spectators attended the 27th annual ball given by the Norway Clerks' Association at Norway Opera House, Tuesday evening. Patriotic decorations were featured in honor of Washington's birthday anniversary and souvenir dance orders were also in keeping with the observance. Hobbs' Orchestra of eight pieces from Lewiston furnished excellent music. Refreshments were served at a booth in the hall during the evening. Dancers came from Hebron Academy, Bethel, West Paris, Waterford, Bridgton Academy, Oxford, Lewiston, Bryant's Pond and South Paris.

Especially attractive were the red, white and blue decorations, with flags draped in conspicuous places and colored lights to heighten the effect. A large flag formed the background for the orchestra with small spruces banked before the tri-colored footlights. The Norway Honor Roll and a crayon likeness of Washington were placed on each side of the stage.

The grand march was led by Floor Manager Evander B. Whitman and wife, followed by the aids, Jacob A. Klain and Elizabeth Klain; William J. McKay of Bethel and Dorothy B. Hutchins; Philip W. Bradeen and Mildred Poole; Mr. and Mrs. Ralph Andrews; Eugene Descoteau and Caroline Schoff; Mr. and Mrs. Richard Stiles of Oxford; Mr. and Mrs. Earl W. Farnham of South Paris, and Percy E. Kimball and Miss Stone of Waterford. About fifty couples were on the march and Portland fancy. A long order of waltzes, two-steps and fox trots with a Boston fancy followed until 1 o'clock Wednesday morning.

John Haselton of Westbrook, the dean of dancing school masters, and a prompter every year since the Association was formed, occupied his time honored place near the orchestra. "Uncle" John's duties were not arduous for modern dancing has removed the burden from a prompter's shoulders, especially in Norway. However, he received a good hand and passed the evening chatting with old acquaintances in the balcony when off duty. John, from the goodness of his heart, donated his services and expenses to the European Fund.

Refreshments were sold at a booth in charge of Philip Bradeen, assisted by Mildred Noyes and Frances Bartlett. This department cleared $10 to be applied to the European Relief Fund.

The committees in charge of the affair were:

Executive—Evander Whitman, H. Douglass Farrar, Muriel McKeen.
Decorating—Jacob A. Klain, Alfred G. Monk, Mrs. Eva Andrews Evirs.
Music—Muriel P. Bowker, Douglass Farrar, Edward L. Burnell.
Refreshments—P. W. Bradeen, Mildred E. Noyes, Frances T. Bartlett.
Badges—Mrs. Etta Nevers Maxim, Jessie H. Everett.
Reception Committee—Dorothy B. Hutchins, Mildred Noyes, Doris Culbert, Muriel Bowker, Mrs. George Gurney, Mrs. Raymond Evirs, Mrs. Raymond Russell.

The committee is not in a position as yet to give the exact figures, but a substantial profit has been realized. This will be donated to the European Children's Relief Fund.

Chapman Concert

Fernando Guarneri, the great Italian baritone from the San Carlo Opera Company, will make his debut in the State on this tour of concerts. Mr. Guarneri is 28 years old, with a voice of great power and beauty. He has often been compared to Titta Ruffo, and Anato, and is a great musician, singing over twenty operas from memory. Mr. Chapman says not since the days of Campanari has he brought a voice to Maine that is his equal. Justin Lawrie the tenor from New York who is really a Maine man, will be remembered as one of the most successful artists that has appeared at any festival. These two voices in solo work as well as duets, will add much interest to the programme. Madeleine Sokoloff, the distinguished violinist, is called the Wizard of the Violin. She produces a large luscious tone of great beauty, and plays with a faultless technique. Her work alone is a concert in itself, as at her recitals she has no assisting artist. Mr. Chapman's work at the piano, needs no comment, as he has the happy faculty of getting the best from his artists and producing an orchestral accompaniment from the piano, that makes a perfect ensemble. The artists will appear at the Norway Opera House, Wednesday evening, March 23.

Another social get-to-gether is booked for Saturday evening at the Norway Grange hall. These dances under the auspices of the local Grange every two weeks, are drawing well with nothing formal or set. Music by Anderson, Moore and Soper.

Chief of the fire department Giles Frost is feeling kindly toward the South Paris citizens for the hot coffee, lunches and cigars furnished members of the Norway department during the Odd Fellow block fire, Friday night. The thoughtful services were appreciated, especially as the mercury was sinking below the zero mark.

The Norway Department was called, Monday forenoon, to a fire at the Shattuck homestead at Norway Lake. Automobiles furnished by the citizens hauled the chemical, the hand pump, 1100 feet of hose and conveyed the firemen. The chemical arrived first and smothered the chimney fire.

Mr. and Mrs. W. Earl Stuart, Mr. and Mrs. Albert L. Clark, Mr. and Mrs. Donald J. Andrews, Dr. Fred E. Drake and Edward Downing were among those from here to attend the Shriners ball at Lewiston, Monday night.

Mr. and Mrs. Eugene L. Hutchins celebrated their 25th wedding anniversary, the 20th, and in honor of the occasion were entertained in the evening at the home of Mr. and Mrs. A. L. Cook Pleasant street. Soon after their arrival they were taken completely by surprise when several of the class of '90 Norway High school appeared on the scene from the upper regions. During the evening chafing dish refreshments and sherbert and cake were served. In behalf of the class Lee M. Smith presented Mrs. Hutchins with a beautiful cut glass bowl as a souvenir of the day.

Tessa R. Thibodeau, who has been spending a few days with her sister, Mrs. Sherman Rowe, in Portland, returned home, Tuesday.

Mrs. C. H. Sargent and Mrs. Mary Cole entertained the "Round About" Club, Tuesday afternoon, at bridge, with souvenirs appropriate to the occasion.

American Legion Minstrel Show

The American Legion Minstrels will give a triple feature show at Norway Opera House Friday evening, March 18. They will have the good old fashioned circle surrounded by an elaborate setting and costumes secured from the city. A strong chorus, fine soloists, and funny end men strong on local events will entertain during the first part. The sympany orchestra of nine musicians will be grouped behind this circle and snap the show along as any lover of the up to date ideas might wish.

A short olio featuring the Imperial Quartet, the concert orchestra, and a laugh provoking version of a well known opera introducing the entire company in super stylish costumes will close the stage entertainment.

Dancing and a real to goodness Mardi Gras is to follow. Favors, paper decorations, horns, confetti and all equipment to make this a success is to be used. Music by a team of jazzerines. This will be the first real carnival on a large scale in Norway.

The members of the "Round About" Club were pleasantly entertained, Saturday evening, at the home of Mrs. Walter Anderson, Danforth street, the occasion being in honor of Mrs. Anderson's birthday. There were two tables at play, including the hostess, Mrs. Chas. H. Sargent, Emma J. Smith, Mrs. Cyrus S. Tucker, Mrs. George A. Cole, Mrs. Mary Cole, Mrs. Fred Lovejoy and Mrs. A. S. Kimball. Mrs. Anderson was presented with a book in honor of the day. Refreshments were served during the evening.

The bus did a land-office business during the fire at South Paris, Friday night. Ted Young, the driver, started trips about 10 o'clock, or soon after the basket ball game, and kept moving long into the morning hours. Beside conveying sightseers he hauled the Norway hose trucks and crews both ways.

Dr. Leon Sikkenga is in charge of the ticket committee for the American Legion Minstrels. The village has been laid out in districts and Legioners will canvass each section. A small price for a big show is a bargain, and every citizen is given an opportunity to do something practical for W. H. Stone Post American Legion. Let's crowd Norway Opera House to the entrance on Friday evening, Mar. 18.

Mr. and Mrs. Howard D. Smith arrived safely in Vero, Florida, on Feb. 14.

The Ramblers were pleasantly entertained, Thursday evening, at the home of P. F. Stone. A fine supper was served at seven o'clock, followed by a social evening with games and music.

Mrs. Florence Anderson is visiting friends in Portland after making a good recovery from her recent illness.

Rev. Albert Donnell of Boston preached Sunday, at the Second Congregational church.

Mrs. Eugene F. Smith returned from Richmond, the first of the week. Her sister, Mrs. William A. Bibber, after a sickness of three weeks, died Friday. The funeral was held at the late home on Pleasant street, Sunday.

The selectmen have distributed the Norway town reports and if any one has not received a copy they can get one at the Selectmen's office.

A Valentine party was held, Thursday evening, at the home of Ruth Carroll, which also proved to be an announcement party, as the engagement of Miss Carroll to Burton W. Shaw of Sanford was announced. A very pleasant evening was spent.

About $30 was cleared by Harry Rust W. R. C. from the banquet recently served the Oxford Bar Association.

Mrs. Cora Mains has gone to Portsmouth, N. H., where she will stay with her son, Esca Mains, and family until the close of the school year.

Ralph Parker has returned to Portland after a month's vacation with his parents, Mr. and Mrs. Sumner Parker.

Mrs. Carrie Philbrook is spending a week with her sister, Mrs. Sumner Parker.

SOUTH PARIS

Odd Fellows Block Ruined

A fire started, Friday night, in the I. O. O. F. Block and worked through the walls of the wooden structure, causing complete destruction above the first floor in the building. Loss is partly covered by insurance.

Frank Maxim was severely burned on the hands and about the face and Cloutier received injuries about the arms. Young Maxim was attended by a physician when one could be located. The burns were mostly superficial and no serious trouble is anticipated.

Fortunately not more than twenty patrons were in the theatre, many used the fire escape, others passed down the stairs. The fire spread from the vestibule into the walls and before the department arrived, the flames broke through the roof and the I. O. O. F. hall above was a furnace.

The Norway department was summoned and nine streams were soon playing on the building. There was no wind to endanger adjoining property until late in the evening when a light breeze carried sparks in the direction of Pine street and a number of roofs were wet down as a precaution.

The building was completely gutted and little remains above the ground floor but the shell. Preparations are under way to clear the lot and erect a substantial brick block to include the True lot occupied by the C. H. Howard Co.

The Mt. Mica Building Association is the heaviest looser and the Mt. Mica Lodge, I. O. O. F. and Aurora Encampment suffer considerably as they not only owned considerable stock in the Association, but saved practically nothing in the hall. The Rebekahs also lose heavily. Both lodges carried one of the best equipments in this part of the state.

The Victory Amusement Co., known as Carrigan & Gray of Lewiston, who operated Savoy Theatre in the former New Hall on the second floor, are damaged to about $1500. Hall furnishings are covered by insurance, but 11 picture reels charged to them at $1100 are a total loss. Three reels from fourteen were saved and the machine can be used again.

All automobiles in the Paris Auto Sales Co. were got out, H. W. Starbird the barber saved most of his equipment and a considerable part of the drug stock in the Stevens Pharmacy was removed. The jewelry stock in the Pierce store was not saved. The town fathers, who had their quarters in the assessors office behind the main staircase, removed their papers and books with no loss to the records.

As the tottering walls have been a menace this week, the part of Market Square near the ruins has been roped off with warning lights at night.

Practically all damage to occupants of the first floor will be from water as a large amount was necessary to subdue the flames.

Brick Block is Contemplated

At a special meeting of the South Paris Board of Trade held, Saturday evening, the matter of erecting a brick block on the site occupied by the Odd Fellows building, was taken up. Pres. Perley F. Ripley presided. After a general discussion a committee was appointed to secure an architect to make estimates. The members are Perley F. Ripley, Albert W. Walker, Walter L. Gray, Leslie L. Mason and W. B. Strickland.

A desire was expressed to erect a three story brick block, 145x68 feet, more or less, to occupy the site and the True lot adjoining. If the plans materialize stores and offices would have the first floor, a large auditorium for the second floor and lodge rooms above.

Dr. Goodrich Investigated Conditions

Dr. Goodrich of the State Board of Health, officer of this district, investigated conditions at the Shurtleff schoolhouse with the local committee, Saturday. This survey was in accord with action taken at the meeting of the parents on Feb. 14, who alleged conditions existed in and around the building which were a menace to health. Supt. A. B. Garcelon, Dr. D. M. Stewart, local Health officer P. P. Allen and Mrs. E. N. Haskell were also present.

The sewer and its relation to diphtheria was the main issue, while typhoid and other diseases thriving in surroundings charged to exist about the school were discussed. According to the official no immediate danger was apparent.

At a public meeting of the parents in Engine House hall, Monday evening, the report of the committee was accepted and a free discussion followed, led by the mothers. The whole situation was gone over carefully. Mr. Allen stated the building had been thoroughly fumigated, Sunday, and books used by sick children burned. Mr. Garcelon objected to certain words in the report as misleading to the general public. He also considered many stories in circulation idle talk without foundation, in fact. So far as the sewer is concerned nothing can be done to extend it into the river until spring, and it is then an uncertain proposition.

Alton C. Wheeler offered a motion to instruct the health officer to fumigate to the best of his judgment; to arrange for a medical inspection of the pupils each day for two or more weeks, and arrange with the selectmen to pay the bills. Motion was carried unanimously.

The second part of the question relative to the unhealthful location for a school was touched only by suggestion for temporary improvements on and about the present building, although the place was condemned for school purposes and other arrangements should be made at no distant day.

The superintendent, health officer, school board or teachers were not in any sense blamed for the conditions as alleged, believing the location is largely responsible for the unhealthful conditions as charged.

Children's day was observed by the Community Club with a social gathering at the Congregational vestry, Tuesday afternoon. Many chuaren under fourteen were entertained. Mrs. Sadie Parlin was chairman of the program committee.

Alfred Cota returned, this week, from Berlin, N. H., having resigned as violinist in the local theatre there.

A. F. Stevens has engaged a part of Robert E. Shaw's hardware store, where he will continue the drug business for the present. H. W. Starbird is running his barber shop at his home over W. A. Porter's store, while the Paris selectmen have moved into C. W. Bowker's office.

IS It "Just a Cold"?
Norway People Should Ask Themselves This Question

Don't say: "It's just a cold."
It may turn into backache, rheumatic aches, achy joints
Or other serious sickness that comes from weak kidneys.
Colds are due to congestion.
Congestion makes the kidneys overwork to filter the blood.
Colds often leave the kidneys weak.
First break the cold;
Then use Doan's Kidney Pills to avert the kidney dangers.
Let this Norway resident tell you about them.

W. O. Needham, ret. farmer, 230 Main St., says: "At different times when I have taken a cold my kidneys were affected. I began using Doan's Kidney Pills when I felt that my kidneys needed a tonic. Doan's always strengthened my kidneys and cleared my system of the excessive uric acid. I always feel better in a short time after using this remedy. I always get my supply at F. P. Stone's Drug Store." (Statement given July 24, 1908.)

On September 3, 1920 Mr. Needham said, "I haven't changed my good opinion of Doan's Kidney Pills since recommending them many years ago. Doan's benefited me greatly."

Is ancient history so far as we are concerned

and last Fall's Prices are as bygone as last week's newspapers.

The prices of today are lower than they were last September: BUT—let us tell you that we cannot see where they will or can be lowered again for at least six or perhaps 12 months. We want to say that clothing has been brought down under the reconstruction process to where no man needing clothing can humanly walk in and look around without walking out looking better.

A GOOD PROVIDER

When it comes to being "a good provider," no man would pride himself on furnishing trash liberally for his family. The family is entitled to good, wholesome food that helps growth.

It is the same with reading. Good reading pleases and creates its own hunger for more good reading. The Youth' Companion is the best of reading for all—every member—every age.

And it comes every week—crowded with the best. Let us prove it with a sample.

The Youth's Companion has slong since ceased to provide for "Youth" alone. It has become the favorite all-the-family weekly of America. Its name is a misnomer, but is retained for the sentiment it has generated in American homes through its service to every age.

Only $2.50 for a year of 52 issues. Serial stories, short stories, facts, fun, games, puzzles, humor, etc.

Chamber of Commerce Meeting

The February meeting of the Chamber of Commerce was held at the room Wednesday evening, Feb. 16. This was made a public meeting, many of the ladies being present. After the regular business meeting the chief topic for discussion, the school problem, was taken up. Supt. A. B. Garcelon of South Paris was present and explained to the citizens the need of the new addition to the school building and the many advantages that would come to the town if this was done.

Prin. R. H. Gillmore brought out some strong points in regard to the cost of running the school and the cost to the town in tuition if we maintained no high school. H. Alton Bacon spoke about the cost of building material and the general belief that prices would be much cheaper in another year or in a few years. According to the best authorities and the building reviews, there will be no great decline from present prices, in fact, many predicted higher rather than lower prices.

Rev. Mr. Upton of the Baptist church spoke about the crowded conditions at the school building and the desirability of building up the school. Larger classes make for greater interest among the students and the town should provide the necessary room for all students who wish to come here.

After further discussion by members of the school board and others present a straw vote was taken on the question and was unanimous in favor of building this year.

At the close of the meeting Pres. Gordon opened the kitchen door and with able assistants served ice cream, cakes, saltines and coffee to the members and guests present and a pleasant social hour was enjoyed.

There is only one thing to do with a bossy woman: cultivate a "Thy-will-be-done" spirit.

RESOLUTIONS OF RESPECT

Whereas: Again within a few weeks the Heavenly Father has seen fit to remove from our Order another Broth, Philetus W. Saunders, this time not suddenly, as Brother Saunders was in failing health a long time, therefore be it

Resolved: That in the death of Brother Saunders, Evergreen Rebekah Lodge has lost a worthy member, the community a kind and obliging neighbor, and who was for many years, one of our most genial postmasters and store keepers, having a smile and pleasant word for all as they came his way.

Resolved: That we extend to his wife, our beloved sister, and their sons, our fraternal love and sympathy; and may the love of our Heavenly Father comfort and sustain them in this great affliction.

Resolved: That a copy of these resolutions be spread on our records, a copy sent to the bereaved family of our brother, and one to the Norway Advertiser for publication, also that our charter be draped in mourning for thirty days.

RESOLUTIONS OF RESPECT

Whereas our Heavenly Father has again entered Mountain View Grange and removed from our Order our beloved Sister Lilla Coffin and while our hearts bow in sorrow, we can but feel that our loss is her gain.

Resolved: That we extend our loving sympathy to the bereaved family of our Sister in this great affliction.

Resolved: That in the death of our Sister we lose a faithful member and that we send a copy of these resolutions to the family as a token of love and respect, and a copy be sent to the Norway Advertiser for publication.

RESOLUTIONS OF RESPECT

"One by one they enter the Golden Gate"

Again the Angel of Death has hovered over our Lodge and summoned from earth the soul of our brother Frank E. Bean, who had been in poor health for a long time, but at last the end came very suddenly. He was most loyal to the priciples of the Order, which he loved, by his kind words and pleasing manners, has deposited upon this silent shore of memory, images and precious thoughts, that shall never die and cannot be destroyed.

Resolved: That while we deeply sympathize with those who were bound to our departed brother by the nearest and dearest ties, we have with them, the hope of a reunion in that better life where partings are no more. We commend our dear sister, in her sad and lonely hours to Him who alone can comfort our sorrowing hearts.

Resolved: That these resolutions be spread upon our records, a copy sent to the family of our departed brother, and a copy sent to the Norway Advertiser for publication, and that our charter be draped for thirty days.

OXFORD

Covered Dish Dinner

On Saturday, Feb. 19th, T. A. Roberts Woman's Relief Corps observed Lincoln's and Washington's birthdays, by having a covered dish dinner in the Methodist vestry. A splendid dinner was served to about one hundred people which included the Corps members and the G. A. R. The committee in charge was: Mrs. Belle Whitman, chairman, assisted by Vera Paine, Eliza Bowie and Mrs. Pearle Holden. Waitresses were Misses Louise Kay, Gertrude Reed, Inez Farris, Winifred Baker.

Interesting remarks were made by Wallace Andrews who spoke highly of the Corps and its good work, also the excellent citizenship of Oxford people. Julius Fuller of East Oxford stated that when the Civil War broke out two hundred and twenty-eight men went from the town of Oxford. Thirteen were drafted, and today there are only eleven living. Anson Holden told a Washington story of "How Washington met the widow Custiss, who later became Mrs. Washington." Mr. Holden also added that he had attended their meetings for many years and only a very few years ago the Corps had grown from a small handful to the present number of one hundred and thirteen members. George Knights of East Otisfield and Mr. Richardson also had a few pleasing words. The Corps is always glad to have the G. A. R. attend their meetings and trust that they will at every opportunity.

Hattie Andrews related a Lincoln story of "Lincoln swapping horses," she also thanked the Corps members for the many thoughtful remembrances on her 81st birthday. Senior vice president, Mrs. Ethel Coulton and Mrs. Belle Whitman, rendered readings and patriotic songs were sung by the corps.

There were forty-four members present at the meeting and the attendance is growing rapidly. It is hoped that this will keep increasing and, lest you forget, the next regular meeting will be held in the Methodist vestry on March 5.

Moundsville, W. Va.—"I had taken doctor's medicine for nearly two years because my periods were irregular, came every two weeks, and I would suffer with bearing-down pains. A lady told me of Lydia E. Pinkham's Vegetable Compound and how much good it had done her daughter, so I took it and now I am regular every month and have no pain at all. I recommend your medicine to everyone and you may publish my testimonial, hoping that the Vegetable Compound does some other girl the good it has done me."—Mrs. GEORGE TEGARDEN, 215 Third Street, Moundsville, W. Va.

How many young girls suffer as Mrs. Tegarden did and do not know where to turn for advice or help. They often are obliged to earn their living by toiling day in and day out no matter how hard the pain they have to bear. Every girl who suffers in this way should try Lydia E. Pinkham's Vegetable Compound and if she does not get prompt relief write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, about her health. Such letters are held in strict confidence.

ALBANY

Joshua Young, who formerly lived in Albany, died in Bethel recently and the remains were brought to Albany and buried in the York Cemetery.

Mrs. Joseph Cummings

Mrs. Joseph Cummings, who has been sick for some time, passed away February 11. She leaves five children to mourn their loss. They are, Wallace C. Cummings, Allen E. Cummings, Sybil Cummings all of Albany, Mrs. Laura Bumpus of Auburn, and another daughter, Viola, of Gardiner; and twelve grandchildren survive her. Joseph Cummings, her husband, was a member of the 10th Maine Regiment in the Civil War. Soon after the war they moved to the farm where they have lived ever since. Mrs. Cummings was 78 years of age and was a very amiable lady and a very hard working woman at any public gathering.

She was always ready to stay at home and look after the affairs indoors and at the barn and look after the fields in the summer time, while others of the family were away.

The funeral was held Sunday, February 13, at the house, attended by many relatives and friends. The interment was at Haskell Cemetery near Hunt's Corner.

G. W. Logan, Peabody, Kansas

"Tanlac has completely restored my health and I feel finer than in years," was the straightforward statement made recently by Mr. George W. Logan, of Peabody, Kansas, one of the most prominent stock-dealers in the Middle West.

"It has not only made a new man of me, but I have actually gained thirty-five pounds in weight and feel as well as I ever did in my life. I am telling all of my friends about Tanlac but they can see for themselves what it has done in my case.

"When I began taking Tanlac I was in an awfully run-down condition. I was away off in weight, felt weak and nervous all of the time and couldn't take any interest in my work or anything else. My main trouble was indigestion. Nothing seemed to agree with me. At times I would have dizzy spells and at other times my back would ache so bad that I could hardly get up and down in my chair. This is just the condition I was in when I started to take this medicine. It took just six bottles to make a well man of me. I now have a fine appetite, everything tastes good and my digestion is perfect.

"My wife was also troubled with indigestion at times and it relieved her the same way. You may publish my statement wherever you like and if anyone doubts it, just tell them to see me."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinkham, East Waterford; W. H. Brown, East Stoneham, and Heald, Stearns & Kimball, Lovell.

The Lure of BIRTH STONES

FEBRUARY

A keener pleasure may be taken in wearing the amethyst, the birthstone of February, if one knows the following myth: Bacchus became enamored of a mortal, Amethyst, as she was on her way to worship at the shrine of Diana. He pursued the frightened maiden, and as he was about to capture her, Diana turned her into a pure white stone. Bacchus, then repenting his boldness, poured wine as a libation over the petrified maiden, giving to the stone the deep violet hue that is like the wine itself solidified.

The Soul of the Grange

"Within Grange halls I have witnessed all the problems of life worked out: Acquaintance ripen into courtship and marriage, the next generation appear and be accepted into the order, old age give way to youth and then pass to the Great Husbandman. I have seen bitterness turned to forgiveness under the careful hand of peacemakers. Always the influence has been one to create a bond of friendship."

—From THE COUNTRY GENTLEMAN of May 15th, 1920.

The soul of the Grange is manifest in the farm home. It holds that the highest achievement is a life well lived; that the foundation for such a life is the home.

The better-living influences of the Grange radiate throughout the community. They are back of our county agents, of the demonstration work, of our schools. Friendship and well being spun within Grange halls are woven throughout the whole fabric of our country life.

In this age of faltering faith there is need for strong leadership. This the Grange offers. You need its sound counsel, its friendly associations. It needs your support.

THE COUNTRY GENTLEMAN gives credit to the Grange for its wholesome and helpful work; that is the kind of work this great weekly itself is doing. It helps to build a contented and prosperous farm life. Each week's issue is filled with cheering stories and inspiring editorials. It fits right into the home and is a welcome weekly visitor.

ONE DOLLAR spent for a year's subscription will pay you rich dividends. Send us your order Now!

Fryeburg boasted that it has had "one of the best kept post offices in the State since the present encumbent has had charge," and it is seldom at this time (if ever) that both parties are anxious to retain their postmaster, but both Republicans and Democrats are unanimous in saying. "John Hutchins has given us the best service we have had," and all are most desirous of retaining him, and a petition will soon be circulated to secure names for his reappointment. Mr. Hutchins has had the office entirely remodled, has kept it scrupulously clean and best of all has insisted upon good order in the waiting room. It is a great care to keep on office of this size so up-to-date, in good running order, but Mr. Hutchins has certainly made good.

NORWAY AND VICINITY

Roads and schools are running the town in debt and what are we getting: A big tax rate. Over eighty thousand dollars was last year's levey. What will it be this year? It depends on what you "appropriate and raise" next Monday.

Ella M. Jordan of Lewiston has been spending a few days in town. She has sold her mare to Clara M. Vaughan of Rumford.

Mr. and Mrs. Albion L. Buck are spending the week in New York.

Mrs. Fannie Frost gave a birthday party to her nine year old grandson Leonard Dow, Thursday. There was a gathering of relatives and friends and a good time including a cake with nine burning candles, and refreshments.

A Citizens Caucus will be held at the Municipal Court Room, Saturday, March 5, at 2 o'clock, p. m., for the nomination of candidates to be voted for at the coming annual town meeting. Female voters will also participate.

Mr. and Mrs. B. G. McIntire started Tuesday, for St. Petersburg, Florida where Mrs. McIntire will be located while Mr. McIntire is on a tour of observation through the interior of the state, looking over the southern lumber situation. They expect to return is about three weeks.

Donald B. Partridge is at Rumford to act as one of the judges at the triangular speaking contest between the high schools at Rumford, Mexico and Lewiston. The contest is held, this Thursday evening.

How can we reduce the tax rate? Raise less money at town meeting. Go without some of the extras. Less music, less use less frills, less foolish education. Economize. Close the public library for a year. Stop giving money away for useless purposes or sentiments. Get back to sense and live within our income.

The Hosmer Bros. have moved from Deering street to the Norway Auto Co. garage and joined Elon Brown in general automobile repairs.

Loyal Order of Moose will have an installation of officers to be followed by an oyster supper at Moose Hall over Stone's, Tuesday evening, March 1. This will be one of the big times, as preparations are being made to accomodate a crowd. Edwin S. Gammon will act as Deputy Installing Officer.

Elizabeth Crockett Blake Tent, D. of V., held a large and interesting meeting Friday evening, at K. of P. Hall. Six veterans of the G. A. R. were present in obligation, Winfield S. Cordwell, Freland Young, Moses E. Kimball, Edward R. Kneeland, Albert P. Bassett and Gardiner B. Wiley. Three candidates were also initiated. After the lodge session a social hour was in order and a fine buffet lunch was served in charge of Mrs. Eva Fogg, Mrs. Lucy Wiley and Mrs. Laura Thurston. Mr. Kimball celebrated his birthday on this date and in honor of the occasion he was placed in the seat of honor where he found a gift from the Daughters of a basket of fruit and smokes. Remarks were enjoyed from the Veterans and several of the Daughters. This was one of the Red Letter days in the history of the Tent. Work at the next meeting and light refreshments each member to contribute.

The W. C. T. U. will hold a "Tag Day," Monday, Mar. 7. The committee in charge is, Mrs. P. H. Nevers, Mrs. Annie Sanborn and Mrs. Elizabeth Jellyn.

Mrs. Hiram Wiles, who had her finger operated on a week ago, having a growth removed, is gaining and is now visiting with her sister, Mrs. William Lowe, at Bethel.

The W. C. T. U. will meet with Mrs. Mattie Anderson, Danforth street, Wednesday, March 9, leader, Mrs. Orin Stone.

No basket ball game Friday night. The one week, March 11, the Freeport High School expect to play here and this will probably close the season for Norway High School.

Some tax—not quite six per cent. for those living in Norway Village Corporation. Town tax rate is more than the income on a Liberty Loan Bond—$4.60 on 100 dollars. What will it be next year?

Oxford Chapter O. E. S. held its monthly meeting Tuesday evening which was preceded by a fine supper. Four candidates received the degree. The supper committee for the next meeting to be held March 29th, consists of Mrs. Ethel Luce, Mrs. Mabel Leavitt, Mrs. Eva M. Kimball, Mrs. Elizabeth Stone, Mrs. Bessie Hutchins, Mrs. Geneva Partridge, Mrs. Ethel Coulton, Mrs. Jennie Cole, Harry Luck and Donald B. Partridge.

Ruth Cummings, Sara True and Ruth Akers have been spending a few days in Portland.
